

CSA 1 TELEPHONE/CABLEVISION DISTRIBUTION BOX

RB 8

The RB 8 enclosures are designed for multi dwelling units. Boxes are manufactured from plastic and can be flush mounted in the wall housing. They have a large flange for ease of installation between two studs at a maximum 16" apart. The box size is 8.5x7x3 inches.

The lock hole complies with a F81 security locking connector for added protection. The color of lid is beige and the color of the box is grey. They are Rogers Cable and Shaw approved. C.S.A. Certified
