

KIOSKS

Free Standing & Multi-compartment

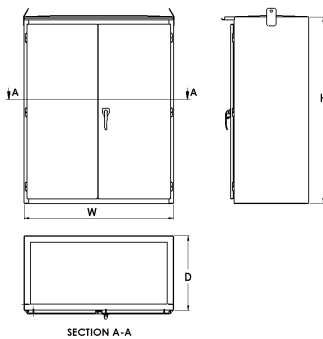

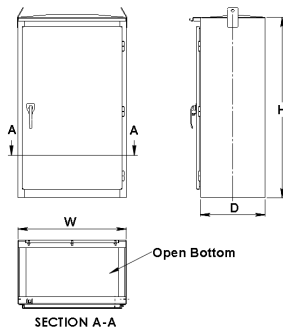

CODE offers a wide range of made-to-order industrial kiosks. CODE kiosks are made with the following metals, all of which come with a powder coat option:

- Aluminum
- Marine Grade Aluminum
- Steel
- Stainless Steel
- Powder Coated Stainless Steel

Choose from our line of standard designs or contact our technical team to build for your specific application. Our 3/3R, 4 and 4X kiosks are CSA certified.

STANDARD & CUSTOM

DESIGNED TO BUILD

CSA Ratings	Description
1	Indoor to provide a degree of protection against contact with the enclosed equipment
3/3R	Outdoor use to provide a degree of protection against windblown dust and rain
4	Indoor or outdoor use to provide a degree of protection against windblown dust and rain splashing water
4X	Indoor or outdoor use to provide a degree of protection against corrosion, windblown dust, rain, and wash down

*For custom sizes, speak with your sales representative.
